The children will start school on Monday 5th February 2018 at 9am and meet in the school hall. At this time they will be placed into their classes. The children will be collected from outside their new classroom at 3pm each day. There is plenty of seating outside so you can sit down to wait. A list of names will be placed outside each Kindergarten room to help you locate your child.

It is also a good idea for the students to have a named jumper, raincoat and spare underwear in their bags in case of wet weather or accidents. Umbrellas are not allowed at school for safety reasons.

We look forward to an exciting year ahead and hope you have a wonderful holiday. Please bring this equipment as soon as the students are in their new classes.
